ACTION OFFICER [REDACTED]

STAT

SUMMARY: [REDACTED] Academic Coordinator, PAO, and I went to the Senate Hart Building to keep an appointment set up with Mr. Dodd's office to address a group of students from Pace University. Our appointment was for 1:00 p.m. in Room 321 of the Hart Building. We arrived at 12:50 p.m. and Jennifer greeted us with remarks that the students should be arriving soon. After 15 minutes Jennifer reported that she had been advised the students had left the State Department 45 minutes ago and should be arriving shortly. [REDACTED] and I waited until 1:50 p.m. (having been moved to Dirksen Room 632 in the interim). STAT

Jennifer then apologized for our having gone to the trouble of keeping the appointment without meeting with the students, whose whereabouts she still did not know.
